

LAURENT MABILEAU

St Nicolas de Bourgueil - Red 2023, « Château Le Moulin Neuf »

In Saint Nicolas de Bourgueil, Château le Moulin Neuf is a beautiful vineyard that extends over 23 hectares of sublime nature. If the deep energy of the terroir is essential, everything is done to give the plant its natural balance and to produce while respecting the wild fauna and flora. The wines are made over the long term, with ageing in amphorae and barrels to bring out the natural elegance of the Cabernet Franc, in a style that is extremely well controlled and infused with the winemaker's meticulous know-how.

Laurent and Antoine pay attention to the smallest detail to achieve excellence... The result lives up to expectations and the care taken.

Tasting notes

Château Moulin Neuf is distinguished by its richness and elegance typical of the great wines of the Loire. In the glass it appears dense and unctuous, with a garnet colour and a beautiful intensity, this wine offers a generous bouquet where red fruits compose a perfect harmony with spicy notes. Gourmet and balanced, the finish shows aromatic persistence with all the finesse and charm of an exceptional terroir.

This is a superb wine with a sensual register that evokes a desire for delicate food and wine pairings.

Ageing

An ageing period of 3 to 7 years laid fat in darkened cellar. A period in which the favours will further develop to charm the consumer's palate.

Serving

Serve at 12 à 13°C it will be perfectly accompanied sauce fish recipes, but also all types of grilled meats, roasts stewed or in sauce, cheese, chocolate desserts...
